## GRAVES FAMILY NEWS

Mrs. James L. (Harriet) Browne, 1396 Bedford Rd., San Marino, CA 91108, descended from JOHN GRAVES of Concord, MA, sent an obituary for **Mrs. Helen Simpson Graves**, who passed away on Oct. 9, 1995 at the age of 94. She lived in California for 70 years, 41 of them in South Pasadena and the past 8 in Pasadena. Her late husband, Charles W. Graves, taught physical education at USC for 38 years and she was a secretary there for 23 years. She is survived by a son, James S. Graves of Sparks, NV, and a daughter, Alice Ann Gardner of Pasadena, 5 grandchildren and 6 great-grandchildren.

Her husband, Charles Weaver Graves, is listed as #2559 on p. 276 of the SAMUEL GRAVES of Lynn, MA book.

Mrs. Patricia B. Ashford, 124 April Wind Ct., Montgomery, TX 77356, descended from Capt. THOMAS GRAVES of VA, wrote that

her design won the logo contest for the Texas Society DAR 1995 Centennial. It was produced as the centennial pin and is sold by J. E. Caldwell & Co.

### **CORRECT INTERPRETATION OF CENSUS DATES**

In the *National Genealogical Society Quarterly*, vol. 82, no. 4, Dec. 1994, was an editorial on this subject. For numerous articles and examples of how to do effective research, I highly recommend this society and its publications.

The key to avoiding many of the problems in correct interpretation of ages on censuses and dates of birth derived from those ages is to consider the instructions given to the enumerators and the official date of the census under study.

For example, for 1850-1880 the official census date was 1 June, and census takers were to record ages as of that date. Now, most of us would say that if a person was recorded as age 39 on the 1850 census, we should subtract 39 from 1850 and conclude the birth was in 1811. However, there is more than a 50% chance that we would be wrong and the person was actually born in 1810.

In 1820 the official census date was the first Monday in August, so someone born between that date and 1 June could make it appear that the 1820 and later censuses did not agree.

## DESCENDANTS OF JOSHUA GRAVES OF CHARLES CO. AND ST. MARY'S CO., MD

The information in this genealogy is almost entirely from Mr. Charles W. Russell, 6016 Rhonda Rd., Lynchburg, VA 24502. Additional information is from: Jane Baldwin Cotton, compiler and editor, *The Maryland Calendar of Wills*, Wills from 1635 to 1685, vol. 1, 1904; and Margaret J. Fresco, *Marriages and Deaths, St. Mary's County, Maryland, 1634-1900*, 1982. Only the first 6 generations are published here.

It appears very likely that this Joshua Graves is very closely related to John Greaves of St. Mary's Co., MD, perhaps as a first cousin, and that they were descended from or closely related to the William Greaves of Greenhill in the genealogy in the last 2 issues of the newsletter.

In the following genealogy, several family members married descendants of John Graves of St. Mary's Co. These include nos. 25, 37, 39, and 61.

He is said to have thirdly married Sarah Jane Rock (born in 1820) in 1834; however, there seems to be an error with this. A third marriage would have to be after the second marriage in 1849. There is a marriage for Joseph Russell marrying Sarah Jane Hall on 15 Oct. 1850 that could be this third marriage.

### QUESTIONS AND INFORMATION

#### MISCELLANEOUS GRAVES FAMILIES

Mr. John Philip Fayen, 716 North Monroe, Tallahassee, FL 32303, is not a Graves descendant but he is interested in the historical aspects of an EDWARD GRAVES.

“Edward Graves came to the mountains of NC well before 1660 and traded with the Cherokees. This Graves was apparently well educated and could read Latin as well as English. He may have styled himself a lawyer or Doctor of Laws. He may have married elsewhere in Virginia, but the Cherokees remembered that he married one of their women and taught them to use the spinning wheel and the loom.

I have checked the lists of graduates of Eton and Cambridge and Oxford and do not find any of the above name who emigrated to America. Perhaps this Edward Graves was the son of another Jamestown resident...

Papers are sometimes handed down for generations before getting printed and I think that this resident of this interior Indian city or

town kept a diary. He was not the only English resident. Entire families from Virginia lived in that Cherokee town at the foot of, or nearby an unusual mountain that the Cherokees may have venerated... They seemed to call their white portion of that Indian town Melilot.”

(ED. NOTE: There are no known descendants of Capt. Thomas Graves of VA named Edward in this time period.)
